

# Is your Hospital finding it difficult to recruit suitable Qualified Nursing Staff ?

## Are you considering recruitment drives in Europe?

**In 2013 Skills4Nurses magazine ran a story regarding the above headline and the impending crisis in the supply of nurses, this threw up fresh focus of NHS Trusts seeking overseas nurses to fill staff shortages.**

For the past 20 years Skills4Nurses have been producing bespoke Nursing & Midwifery Recruitment Shows in both Scotland & Ireland. In fact we are fast approaching our 75th event.

We specialise in the recruitment of Registered Nurses, Midwives & Allied Healthcare professionals. Due to the huge demand for healthcare professionals in both the private sector and the NHS, we were approached by a number of NHS Trusts enquiring if we could possibly stage similar recruitment events in mainland Europe, to date we have held recruitment shows in Madrid (Spain), Lisbon and Porto (Portugal). North West London Hospitals NHS Trust

Clients include Buckingham NHS, Oxford University Hospitals NHS Trust, North West London Hospitals NHS Trust, Sunderland NHS Trust, Royal Surrey County Hospitals NHS Trust to name a few. We offer a complete bespoke service, tailored to your organisations individual needs. Our aim is to place in front of you, Healthcare Professionals of the highest calibre, for face to face interviews.

Once your organisation has agreed to use our services it then normally takes just over six weeks to complete. We take care of all your needs flights, accommodation, interviewing facilities etc. Each event is marketed to suit your organisations individual recruitment requirements, we source candidates from across the country of choice and invite them to come to a venue nearest to our interview sessions.
